SUMMARY

Detail-oriented Full Stack Developer and AWS Cloud Practitioner with hands-on internship experience in web development and cloud computing. Skilled in building responsive web applications using React.js, Node.js, Express.js, MongoDB, and deploying cloud solutions on AWS. Strong problem-solving, communication, and collaboration skills with a commitment to developing efficient, scalable, and user-focused applications

EXPERIENCE

AWS Cloud Practitioner Intern , Trinity Technologies Trivandrum

2026

- Implemented core AWS services including EC2, S3, IAM, and VPC while building cloud-based practice projects to strengthen infrastructure deployment skills.
- Configured and managed cloud resources, monitored basic performance, and applied security best practices using IAM policies and user roles.
- Deployed sample web applications on AWS, practiced cloud architecture concepts, and gained hands-on experience with scalable and cost-effective cloud solutions.

Full Stack Development Intern , Mashup Stack Trivandrum

2025

- Developed and maintained responsive web applications using React.js, Node.js, Express.js, and MongoDB, implementing both frontend and backend features.
- Built and integrated RESTful APIs, managed database operations, and resolved bugs to improve application functionality and performance.
- Collaborated with senior developers using Git and GitHub, participated in code reviews, and followed agile development practices to deliver project milestones on time.

PROJECTS

Shopee

- Developed a Flutter-based supermarket application with Firebase Authentication, Firestore, real-time product management, shopping cart, and order checkout functionality.
- Implemented role-based authentication for Admin, Staff, and Customer, enabling secure product management, inventory updates, and order processing using Firebase

CareerConnect

- Built a full-stack job portal using React and Node.js, enabling users to search and apply for jobs while recruiters can post and manage job openings.
- Built a full-stack job portal using React.js, Node.js, Express.js, and MongoDB, enabling users to search and apply for jobs while recruiters can post and manage job openings.

SwiftChat

- Built a real-time chat application using React and Node.js, enabling users to exchange instant messages with live updates powered by Socket.io.
- Built a real-time chat application using React.js, Node.js, Express.js, MongoDB, and Socket.io, enabling users to exchange instant messages with live updates.

EDUCATION

Bachelor of Computer Applications (BCA)

2021 - 2024

Don Bosco College Kottiyam , Kerala University

- Computer
- Final CGPA: 6.9

Higher Secondary (Plus Two)

2019 - 2021

Vivekananda Higher Secondary School, Poredom

- Final Percentage: 68 %

KEY SKILLS

- Team Collaboration
- Adaptability
- Organizational and time management skills
- Corporate communications
- Problem solving
- Debugging & Troubleshooting
- Attention to details
- Quick Learner

CERTIFICATE

- AWS Cloud Practitioner
- Full Stack Development
- Cyber Security
